

Name: _____

Changes in Ecosystems

Team Members:

Change introduced:

Hypothesis (What I think will happen in the ecosystem):

If...(describe the change you'll make)

then...(what you think will happen as a result).

Why do you think this will happen?

My Observations Week 1

Plants	Animals	Water	Other Nonliving Factors

My Observations Week 2

Plants	Animals	Water	Other Nonliving Factors

My Observations Week 3

Plants	Animals	Water	Other Nonliving Factors
